**QLD Pacific Finance Pty Ltd ACN 083 028 684 trading as QPF Finance Group** ('we', 'us', 'our').

We collect information about you for the purposes you agree to in this Privacy Disclosure Statement and E-mail Communication Consent. When you sign below, you agree we can, consistent with Australia's privacy and credit reporting laws, collect, use and exchange credit and personal information about you for those purposes.

## PRIVACY DISCLOSURE STATEMENT AND E-MAIL COMMUNICATION CONSENT

We are collecting credit and personal information (information) about you, as applicable:

- To source for you, or a company of which you are a director:
  - Consumer credit for personal, household, domestic or residential investment purposes;
  - Commercial credit for business purposes; or
  - Other services stated in this Privacy Disclosure Statement and E-mail Communication Consent (Consent); or

As your broker, we require the information we collect from you to assess your credit or guarantor application, or the credit application of a company of which you are a director, source a suitable credit provider and any required insurances, and to manage the application process, where required. If you do not provide the information sought, we may be unable to process your application, or the company's application, or we may be limited in the other services we can offer you or the company.

## YOUR INFORMATION — COLLECTION AND CREDIT REPORTING BODY (CRB) ('CRB') DISCLOSURES

When we collect information from you in the credit application process, we use that information in a number of ways to assess your credit application and to source a suitable credit provider or lessor and/ or insurance provider. We may:

- Disclose your identification information to a CRB and in some cases obtain a credit report;
- Use any information the CRB provides in that report to assist us to preliminarily assess your consumer credit or guarantor application;

The information we obtain from you is used, subject to compliance with Australia's privacy and credit reporting laws, only for the purposes listed in this Consent and is not

disclosed to any other person except with your permission or as permitted, or required, by law.

## CREDIT PROVIDERS

As part of providing our services to you, we may undertake tasks for a credit provider which is reasonably necessary to manage the application process. When doing so, we are acting as agent for the credit provider, with the same privacy law requirements applying to both of us.

We may submit your application to one or more credit providers. Those credit providers and their website addresses are set out in the Schedule 1 at the end of this document. A credit provider, to whom we submit an application, may disclose information about you to, and collect information about you from, from one or more CRBs.

The website of each credit provider contains details of each CRB with which it deals and other detail about information held about you, including whether that information may be held or disclosed overseas and, if so, in which countries. The websites also describe your key rights. This detail may be described on the credit providers' websites as 'notifiable matters', 'privacy policy', 'credit reporting policy' or 'privacy disclosure statement and consent', or similar.

For each CRB the website details will include the following specific information: That the CRB may include information the credit provider discloses about you to other credit providers to assess your credit worthiness;

- That, if you become overdue in making consumer credit payments or you commit a serious credit infringement, the credit provider may disclose that information to a CRB;
- How you can obtain the credit provider's and/or CRB's policies about managing your credit information;
- Your right to access and/or correct information held about you and to complain about conduct that may breach the privacy and credit reporting laws;
- Your right to request a CRB not to undertake pre-screening for purposes of direct marketing by a credit provider; and
- Your right to request a CRB not to release information about you if you believe you are a victim of fraud

This detail will also be included by the credit provider who approves your application in the privacy disclosure statement and consent document it will provide to you.

Each credit provider website includes information on how to contact the credit provider and how to obtain a copy of its privacy documents in a form that suits you (e.g. hardcopy or email).

## YOUR RIGHTS

You have the right to ask:

- Us to provide you with all the information we hold about you;
- Us to correct the information we hold if it is incorrect;

- Us for copies of our privacy policy and this document, in a form that suits you; (e.g. hardcopy or email)
- The CRB not to use your information for direct marketing assessment purposes, including pre-screening; and
- The CRB to provide you with a copy of the information it holds about you.
